KNIGHT WRITER

AUGUST 29, 2010

IN CONCERT..

The Arts & Entertainment section regularly features musicians from a variety of genres. The music performed ranges from hip-hop to country to rock and roll to classical. Today's paper has an insert for the upcoming "A Taste of Colorado". The organizers of this event have six stages of performers over the four days of the festival. That's a lot of music and entertainment.

Write a description of your current favorite musican and explain why you like the music.

If you run out of room to complete your story, use the back of this paper

Order of the Pen

Before you put pen to paper, here are some suggestions:

- Plan your writing.
- Consider including lyrics to some of the songs if you think this will help your reader understand your preference for this musician.
- Your description can also include a comparison to other styles of music.
- Write a draft. Proofread and edit the draft. Check spelling, sentence structure, punctuation and transitions.
